He is not here, for He has Risen

As we approach the time in the scriptures that deal with the death, burial, and resurrection of our Lord Jesus Christ, I believe that we should not just deal with those thoughts, but with the command that Jesus gave to each of us before his ascension.

The angel had it right when he said, "He is not here," for He truly is not here in bodily form, but in the form of the Holy Spirit. Jesus gave us His directions about how we are to live our lives in the here and now. He said that we are to make disciples (seek out those who do not know Him as their personal Savior, baptize them, and teach them).

It is an awesome responsibility that the Lord has placed on each of us. We are to be his hands, his feet, and his voice, to reach a lost and dying world. We are the instrument that He uses to reach and teach. As we prepare to share that responsibility in our churches during this season of the year, let us not forget to share that it is an individual responsibility. It has not been reserved for just a few to share, but we as Christians must take that responsibility seriously. There must also be a time when we can teach them that the Lord can use them in service for Him. He has gifted each of us with a special gift to be used in the reaching and teaching of those who do not know Him.

We have a story to tell to the nations that will turn the hearts of men, women, boys and girls, to the right. Let us not be weary in well doing. What a joy it would be on this Easter Sunday morning to stand with someone in service who had accepted the Lord Jesus because you were faithful to the commandment of the Lord.

To God Be the Glory; great thing He has done.

May God Bless

Tony

I drove into the parking lot of the grocery store about a week after it had snowed in the area. It was a pretty snow, thankfully without the predicted ice. I enjoyed being snowed in for three days...well, let's put it this way, I did OK for a couple of days and then became stir crazy! "Cabin fever" is the name some have given to the need to get outside after being stranded inside for a few days. I was surprised that my pups enjoyed romping in the snow since they are sissies when it comes to going out in the rain. I caught up on some work and some reading, but found myself wanting to get outside in the sunshine. I realized just how bad a case of cabin fever I had acquired when I found it fun to go to the local dollar store!

But back to the grocery store story I was discussing. A week after the snow had first arrived with its pristine whiteness, there were now piles of gray, black and white 'leftovers' on the sides of the parking lot. Ugly, to be sure. A far cry from the beauty of the white flakes I had enjoyed just a week earlier. Hmmm. A spiritual truth for sure. When we accept the Lord as

# Thoughts from our staff.....

our Savior, He makes our hearts 'white as snow.' But along comes life with its sin and disobedience, and our lives become dirty....ugly in His sight and to all who look at us. We may try to push the ugliness out to the sidelines in hopes God and no one else will notice. It does not work that way. God tells us to come to Him...the only One who can melt away the ugliness and turn our lives back into beauty. I wonder why we are so reluctant to do this?

Dr. Alice Cullinan

I recently watched a video of Francis Chan speaking about making disciples. He talked about how often times we as Christians study and memorize what Jesus tells us to do but do not actually "do" what Jesus tells us to "do". Jesus' word is not just a worthy book that we should read but it's a guideline on how we should live our life. It is good thing to read and study the Bible, but if we stop there we have totally missed the point of God's word. Putting the scriptures into action is not as easy as it sounds, but in my life God has convicted me to put the word in action in the daily opportunities I come across. Holding a door for someone, letting a car go in front of me, giving a smile to a lonely person, or stopping to really listen to a person's story. These actions may not further someone's relationship with Christ, but I believe they can show someone who does not know God a small glimpse of His love. What are the small things God is asking you to do in your daily life to show others a glimpse of Him? Think about it this week!

Serving together,  
Katie

## OBEYING GOD'S COMMAND Matthew 28:18-20

"All authority is given to me in heaven and on earth. Therefore, go and make disciples of all nations, baptizing them in the name of the father, and of the son and of the Holy Spirit; teaching them to observe all things whatsoever I have commanded you; and behold I am with you always, until the end of the world.  
Amen.

We plan to move forward for Christ in 2016. And we are happy that we are all focused on the mobilization of the Church to go out to reach the lost for Jesus. We must not expect the lost to come to us; we must go to them. They are people who are empty, who have no hope, who are lost, and who require a Savior. Jesus gave us the commission and there is a plan for how it will work. First, we must be filled with His power. Then we march under His authority and armed with such anointing that everything we do is a way to be the church and to reach the lost. The Church cannot be stopped; the Church has to go; the Church is the only one authorized to make disciples according to the model of Christ. We are trained to put into practice all the strategies that Jesus taught, and we must do so here in our community today. And we also must be missionaries, carriers of the word, to people from different parts of the world who now live in our country: Chinese, Japanese, Koreans, Cambodians, Germans, Argentineans, Mexicans, Hindus, Russians, Nicaraguans... all the Nations of the world want to live in the United States. God has already prepared us to teach them the Gospel of Jesus Christ. We have the message they need to become sons of God. We must never lose the vision to be MISSIONARIES, to be people of God determined to meet the mandate of God for our lives. We have been given the power; we have been sent; we have a task to accomplish. So unless we forget the promise of Christ to be with us to the end of the world, we must not be afraid to carry out His commission, because God himself remains forever with those who love him and are obedient to Him. As an association of churches here in Cleveland County, we must continue marking a positive step in the area of missions. This year we hope to have four very important mission trips: one in America and three foreign mission trips. Will you prayerfully consider going with us on one of these trips? And, of course, we must be faithful witnesses here at home as well. We should continue praying for all the leaders of the community, their personal visions and the vision of the Association and the Convention. Blessings in the powerful name of Christ.

Rev. José A. Espinal. Hispanic Language Missionary.

# Missions Opportunities

Plans are coming together for our **Summer Mission Trips**. We are excited to start a new partnership with an association in **South East Indiana**. This partnership will open up opportunities to come along side churches that are ministering to rural farmers, Hispanics, an Amish community, and a Muslim community. The dates for this trip are **July 9th-16th**. Cost, travel plans, and more information will be given out soon. Please watch the Beacon and our website for updates on a mission trip meeting.

Our **Nicaragua Mission Trip** will be **July 29th- August 6th**. We are excited about continuing to support the work of the ministries in Granada. The church there is continuing to grow through serving the community with a feeding program and their children's ministry. The church has started a preschool, Kindergarten, and hopes to add more grades in the future. They also hold sewing classes for the women to learn a trade to help make money for their family. During our trip we hold a Vacation Bible school, help with the feeding program, and help with other ministries in the community. The cost of the trip is \$1550-\$1600 depending on the cost of the airline tickets. A \$150 deposit will be due on March 28th. If you have questions about the trip or are interested in going please contact Katie asap. This trip is limited to 14-16 participants and these mission teams fill up fast.

## NATIONAL DAY OF PRAYER 2016

The 65th annual National Day of Prayer, May 5, 2016, will have profound significance for our country. It is an unprecedented opportunity to see the Lord's healing and renewing power made manifest as we call on citizens to humbly come before His throne.

Our theme for 2016 is *Wake Up America*, emphasizing the need for individuals, corporately and individually, to return to the God in reverence for His Holy Name. To further highlight our theme, we've chosen Isaiah 58:1a as our Scripture for this year: "Shout it aloud, do not hold back. Raise your voice like a trumpet."

For promotional materials for your church or community check the National Day of Prayer website at [www.nationaldayofprayer.org](http://www.nationaldayofprayer.org).

CLEVELAND COUNTY April 30th or May 7th, 2016 Operation INASMUCH 2016 We are very excited about the Cleveland County **Operation InAsMuch** 2016. We had a very good turnout for our meeting on February 2nd with 13 churches represented. Our ad sales for our t-shirts are going very well and help requests are starting to come in.

If your church has not yet decided to be part of this one day community missions blitz to be held on April 30th or May 7th, it is not too late. This is a great opportunity to get your church excited about and involved in missions. For more information and details please contact me by phone or email.

## DUKE ENERGY SHARE THE WARMTH

It has really turned cold now that winter has set in, and many people who are having a hard time paying their bills are being helped through STW dollars. To date two checks have been received totaling \$11,673.15, and contributions are being accepted and matched by Duke Energy until March 30, 2016.

To make a contribution that Duke will match dollar-for-dollar take note of the following information: Checks should be made payable to SHARE THE WARMTH FUND and mailed to:

Share the Warmth Fund  
The Duke Energy Foundation  
P.O. Box 35469  
Charlotte, N.C. 28254-3429

Thank you for caring for your neighbors who are having a difficult time during these cold winter months.

## POTATO PROJECT UPDATE

Soon it will be time to plant a new crop of white potatoes at different donated plots of land in the county. We pray for a much more favorable growing season than last year. Crops were planted in the extreme cold and then we were in a drought that did not let the potatoes grow. The sweet potato crop that begins in the summer and goes until the first frost had a much greater yield.

We are thankful that Union Baptist Church is planting a field of white potatoes this year and we still welcome other groups to join the battle to prevent hunger. The Potato project will pay for seed and fertilizer for any church that wants to grow a crop and give half the harvest to the project. We plan, weather permitting, to start planting during the last week in February or first week in March.

We would like to put together a list of tractor drivers who could step in and help for a few hours and if you can participate or know people we could contact, call Doug Sharp at (704) 472-5128. Anyone with the equipment to move tractors and plows around the county would be welcome to join us. Your prayers and financial support are always needed and appreciated as we work to provide fresh potatoes to feed hungry people in Cleveland County.
