# THE BEACON

Volume 60, Issue 9

September 2018

*"So they signaled their partners in the other boat to come and help them, and they came and filled both boats so full that they began to sink." Luke 5:7*

We are called to be "Fishers of men." (Luke 5:10) Many believe there aren't that many fish out there. "Not in my community." Well, truth is, there are LOTS of fish! The above picture is of the five pockets of lostness that have been identified in Cleveland County. What is a pocket of lostness? In short, the State Convention of NC as part of its strategy to impact lostness through disciple making, has identified pockets of people who are lost throughout NC. They estimate, through demographics, and research, there are approximately 5.7 million lost people in NC. Their work began mainly in higher populated areas, but after identifying those, they began to spread out from there. Here are the pockets in Cleveland County.

# Thoughts from our Staff.....

## Pocket 109

- 1.5 mile radius of 7 Bennett St., Kings Mountain
- 1,748 unreached households

## Pocket 124

- 3 mile radius of 701 W. Warren St., Shelby
- 6,371 unreached households

## Pocket 133

- 3 mile radius of 128 E.A. Bingham Rd., Kings Mountain
- 1,415 unreached households

## Pocket 180

- 3 mile radius of 3800 Artee Rd., Shelby
- 1,147 unreached households

## Pocket 203

- 3 mile radius of 115 Powerhouse Rd., Lawndale
- 1,053 unreached household

## From the BSCNC website:

*"In each of these pockets, there is an extremely low number of people who identify themselves as having a personal relationship with Jesus Christ. In most cases, more than 70 percent of the people in these pockets would not claim to have a personal relationship with our Lord.*

*The numbers are staggering, but the reality is that these numbers represent people who need Jesus. In many cases, the pockets are in areas where disciple-making efforts among the people living there are sparse or non-existent. The reality is that without the development of new disciple-making strategies, the number of lost people will continue to grow exponentially."*

We cannot impact lostness alone! We have to work together! I'm very excited about our Bi-Annual Fall Meetings coming up, October 29-30. "Partnering for the Gospel," will be our focus.

Does your church have a strategy for impacting lostness in your community? We can help with that. Don't feel alone! We're in this together!

*"...Then Jesus said to Simon, "Don't be afraid; from now on you will fish for people." So they pulled their boats up on shore, left everything and followed him." Luke 10-11*

*Wesley*

## SUFFICIENT REASONS FOR PRAYER

Philippians 1: 3-4 "I thank my God whenever I remember you, always in all my prayers praying with joy for all of you..."

As members of the body of Christ, we feel very committed to all matters related to the growth of our Association. We have deep interest in each activity that develops, in every teaching that is given to the servants of the community, and in each training that is planned at the level of the churches of our community. We have been praying continuously not only to motivate lives and hearts, but also to motivate we who are passionate about what we are doing. But, we have large sections of the community where the information does not arrive. I am referring to the Latino people who live here in Cleveland County. Our Association promotes the classes for the preparation of leaders, intentionally in the Latin area, but we are not reaching everyone. In the future, we want to have more than two or three Latino churches. We want to saturate this county with places of Latino worship. For that, we pray like Paul for the Church of Philippians, he was determined to make known the Gospel of grace, but also he knew the great need to pray for new churches, and the need for new planters to arise. When he referred to who remembered their friends, servants and Congregation, it is because he had in his heart the seed of the Holy Spirit who dictated him to withstand the weak in faith, to motivate their lives, to not shut up the truth of the word. So he bent his knee to make sure churches and leaders had coverage. The Association is continually praying because we want every small or large church to have faith in what

# Thoughts from our Staff.....

you are doing, certainty of the work entrusted by God, as well as resources to be able to take the word of God everywhere in an efficient way. Let us, therefore, pray in our congregations, as we have sufficient reasons for prayer. Briefly I will give some reasons: our nation, rulers, negotiations, international relations, war conflicts, drugs, abuse in homes, domestic violence, the SCARCITY of genuine leaders, hunger, poverty, crimes, and many more. We have an amount of prayers so great as to allow us to be busy praying almost 24 hours a day. Brothers, do not neglect the gift of God that each one of us has. Let us pray without ceasing as the Word encourages us to do. Remember our brothers, friends, who do not know Christ. Pray that the Holy Spirit works through our prayers and actions. Do not forget to pray for Nicaragua and our future missionary journey. Amen.

Rev. José. A. Espinal, Hispanic Language Missionary

In a recent sermon, my pastor, Dale Byrd, asked us to think and pray about 1 person who does not know the Lord and commit to pray for and have intentional conversations about God with them. Everyone has a family member, friend, or coworker who does not have a relationship with the Lord, and it is our responsibility to tell them and show them God's love. Missions is more than just doing mission projects and going on mission trips; it is a lifestyle that we are to live each day. So I ask you today who is your one, and how are you going to reach them? Prayer is a good place to start because the power of the Holy Spirit can do a mighty work in someone's life. This question is on the sign in front of Eastside, so I see it several times a day. It always reminds me of my responsibility to pray for my one and to look for ways to share with them.

Serving together,  
Katie

## Word from Cleveland County Potato Project

You may have noticed that we didn't have much, if any of a white potato crop this year. There were several factors involved in that. We are thankful for all the volunteers who have worked so hard planting, weeding, and harvesting. As a way to help with the low to no yielding crop this year, First Baptist Church is hosting a "Potato Gathering," on September 2, and September 9. Anyone is welcome to bring bags of white potatoes to the church and fill up the pickup trucks that are being provided those Sunday mornings. Their goal is 5,000 pounds. Churches are invited to participate and do the same. A local supermarket has agreed to sell white potatoes to the CC Potato project for a wholesale price, so financial contributions are also welcome to help purchase white potatoes. These potatoes will be taken to the usual distribution points for our hungry neighbors. Thank you for your continued support. Please contact Doug Sharp if you wish to participate.

## Shelby Mission Camp News

The Shelby Mission Camp will be hosting up to 200 people a day from September 3rd thru the 23rd. This number will include 100 international volunteers and 100 security and EMS people for the FEI World Games being held at the Tryon International Equestrian Center. This is a great opportunity to show God's love and give support and friendship and possibly to share the good news of salvation. We are asking our churches to get involved as we will need help in a variety of ways. Our plans include:

\*Having coffee, juice, and possibly a sweet roll as the first shift will leave about 6 am.

\*We will need cleaning crews to help clean as this will be a daily need.

\*Run our nightly 7-9 pm "Coffee Shop" by bringing homemade desserts and snacks. We may find the need for an afternoon time when the first shift returns to the mission camp about 2 pm. Adjustments will be made if needed. The "Coffee Shop" will be our best opportunity to build relationships and share Christ. Your church can sign up for one night or several. If that is not an option then baked goods, sweet rolls, juice, etc would be welcome donations.

\*Worship Services - We are still working on the best time to offer worship services. Tentatively it looks like Sunday nights are going to work best. If you or your church is interested in helping with or leading worship please let us know.

God has given us a great opportunity and is even bringing the people to us. Will you and your church please pray about being part of this ministry.
