# THE BEACON

Volume 68, Issue 6

June 2026

Summer is right around the corner! That means the kids are getting out of school and will be home for summer. That means that the temperatures are on the rise and so are our power bills. That means that Vacation Bible School planning is in full swing as you count down the final weeks before the biggest church outreach event that many of your churches will do all year. Summer also marks another major event for many of our churches. Mission Trips!

This summer many of our churches have been affected by the increase in fuel costs as well as the limits to international travel, but I am excited to see that many are continuing to go "to the ends of the earth" to share the Gospel and lift up our brothers and sisters in Christ around the globe. Whether you are planning to serve in the "deepest, darkest Africa" or right here in Cleveland County, I want to extend encouragement and the call for us all to pray for each other.

Mission trips have played a significant part of my spiritual walk for the past 40 years. I started as a student on youth choir tour in Canada (and yes, they let me sing in that choir). I will never forget the feeling I felt coming home from that experience. I was tired from the hours we spent riding in a bus, working with young kids and serving in multiple church services, but I knew I had been a part of something bigger that God was doing. Since that time, I have served on more than 50 mission trips here in the US and around the globe and I still get excited to know that God accomplishes His will through servants like me.

That's why we need to take the service of our friends, fellow church members, and family seriously as they step out in faith to serve wherever God is calling them this summer. We need to pray for their safety, of course; but, more than that, we need to pray for their spiritual growth. This is an opportunity for God to speak loudly into their lives and guide their spiritual growth. It's an opportunity to not just go to church, but to be the church. It's an opportunity to allow God to work through them in a way they have never experienced, and it just might change them forever. So, join me this summer as we pray together for all of our Cleveland County missionaries as they go out with the Great Commission and the Great Commandment to the world that doesn't even know the name of Jesus.

## *Bethany:*

Bethany Baptist Church, located in the peaceful community of Grover, North Carolina, is prayerfully seeking the **pastor** that God has chosen to lead and serve our congregation. We are a small but faithful and loving church family, with an average attendance of 30–45 members. We have the best praise team a church could ask for with live music and instruments that is an amazing experience to praise with. We desire a pastor that is not only committed to preaching the Word of God but also walking alongside us in worship, fellowship, and life. We believe that being a pastor is more than delivering a sermon on Sunday — it's about being part of a family. At Bethany Baptist, we strive to love one another, serve our community, and grow in Christ together. We gather each Wednesday for a time of fellowship, a short message, and a shared hot meal — a cherished tradition that brings us closer together. We are open to both **full-time** and **bivocational** candidates, depending on the best fit for our church and the calling God has placed on the pastor's life. Our desire is for someone who feels led to shepherd, encourage, and grow with us — someone who values the church, and the youth, as well as the community as much as the pulpit. If you feel called to a close-knit church that is hungry for God's Word, rooted in love, and ready to support a pastor who will lead with humility and heart, we would love to hear from you. To express interest or request more information, please contact our pulpit committee via phone call/Text for information on where to send a resume 704-913-9698 .
